

# Key Team Information

## Executive Team

**Eric Kryski**

**Role:** CEO & Co-Founder

**Eric** is a full stack software developer, designer, and self proclaimed "closet economist". He bootstrapped a successful product studio and co-created FeathersJS - a popular open source web framework used by 15k+ developers at startups, fortune 100s and in between.

**Cory Smith**

**Role:** COO & Co-Founder

**Cory** is a full stack software developer, previous startup CTO, and rap genius. He has one previous exit and one failure under his belt. Cory has been in both the enterprise and startup game and has built and shipped over 30 mobile and web applications.

**David Luecke**

**Role:** CTO & Co-Founder

**David** is a full stack software developer and architect. He has consulted for startups and large enterprises such as Apple and Walmart. He created the first open source transport agnostic REST protocol which is at the core of FeathersJS.

---

## Advisors

**Boris Mann**

**Boris** is the CEO and Co-Founder of **FISSION**. He is a successful angel investor, startup advisor and an active contributor to the Ethereum ecosystem.

**Hanif Joshaghani**

**Hanif** is the CEO and Co-Founder of enterprise fin-tech startup **Symend**. He is an active angel investor and has raised a total of \$40M+ in capital across the four companies that he has founded, with three prior full or partial exits.
